Salon Neapolitan, operated by Nicolle Lee, is doing everything we can to protect you, our client, our community and our staff. To this extent, we will be following the Center of Disease Control (CDC) and local health department guidelines as best as we can with regard to social distancing practices and sanitation in order to reduce the spread of CODVID-19. This will require our staff to maintain six feet of distance between ourselves and you, the client, as much as possible in our salon setting. We will also be requiring the same procedure for client-to-client exposure to all individuals. Only the person receiving the service will be allowed in the salon. (NO children, NO friends)

All tools, stations and equipment will be sanitized and/or disinfected between each client. New capes will be given to each client (as we always have.) Staff will follow proper hand washing protocols between each client.

Salon Neapolitan requires all individuals to utilize approved masks, either surgical masks or improvised masks such as scarves, bandannas, and handkerchiefs to reduce the risk of exposure to yourself and others. It is also required of everyone to either wash or sanitize their hands upon arrival of your appointment, after using the restroom, sneezing, or coughing.

If we all work together, we can overcome the spread of this virus as well as other infectious diseases. We welcome you to Salon Neapolitan. By filling out the form below and submitting, you agree to comply with the written instructions above and agree that you are at the salon at your own risk, releasing Salon Neapolitan from any liability in relation to COVID-19. Failure to comply with these written instructions or verbal instructions from staff may result in your removal from the premises.
